RE: Stanislaus County Civil Grand Jury Case No. 16-15GJ

Honorable Sovey Silveira:

The Newman City Council submits to you the following responses to the findings and recommendations received from the Stanislaus County Civil Grand Jury regarding the above-referenced case file title Stanislaus County Building Study:

FINDINGS:

F1: The City of Waterford is the only city to use the Central San Joaquin Valley Risk Management Authority Building Detail Report. This report has a complete summary of each property, including the date built or acquired, address, type of construction, services, features, valuations, and conclusions. In addition, each property has a current photo. Other cities would benefit from using the same system to list their inventory.

Response: The City agrees with the finding.

RECOMMENDATIONS:

R1: The Stanislaus County Civil Grand Jury recommends that all cities in Stanislaus County should consider using the Central San Joaquin Valley Risk Management Authority Building Detail Report to efficiently account for and report to the public all city-owned properties.

Response: The City agrees with the recommendation.

Sincerely,

Bob Martina, Mayor
Nick Candea, Mayor Pro-Tem
Murray Day, Council Member
Casey Graham, Council Member
